

# Structured Foundation Repairs, Inc. Earns Esteemed 2014 Angie's List Super Service Award

*Award reflects company's consistently high level of customer service*

Structured Foundation Repairs, Inc. has earned the service industry's coveted Angie's List Super Service Award, reflecting an exemplary year of service provided to members of the local services marketplace and consumer review site in 2014.

Tom Kidd, President and founder of Structured Foundation Repairs, Inc. had the following to say, "We started our company with the idea that there was a market for an honest, ethical foundation repair company. But the idea would only work if we could find and hire people who could make our idea a reality. Winning the Angie's List Super Service award confirms what I've always known, that our employees are the best in the industry!"

"Only about 5 percent of the foundation repair companies in Dallas/Ft Worth have performed so consistently well enough to earn our Super Service Award," said Angie's List Founder Angie Hicks. "It's a really high standard."

Angie's List Super Service Award 2014 winners have met strict eligibility requirements, which include an "A" rating in overall grade, recent grade, and review period grade; the company must be in good standing with Angie's List, pass a background check and abide by Angie's List operational guidelines.

Service company ratings are updated daily on Angie's List. Companies are graded on an A through F scale in areas ranging from price to professionalism to punctuality.
